## ARTIST BIOGRAPHY

Introducing Heather, the electrifying five-piece rock band hailing from Prince Edward Island's stunning north shore. With their powerful sound and infectious energy, Heather has been leaving audiences captivated and craving more.

Fronted by the dynamic Evan Martin on lead vocals and fuelled by the guitar prowess of Colin Crowther and Jarred Kenny, Heather delivers a high-voltage rock sound that shakes the very foundations of the genre. The pulsating bass lines of Cameron Menzies and the thunderous beats of Peter Doucette on drums provide the backbone of their electrifying performances.

Inspired by iconic rock acts like Pearl Jam, Soundgarden, Foo Fighters, The Black Keys, and Radiohead — Heather balances on the razor's edge of distortion, delivering music that is driven by irresistible riffs and raw, visceral expression.

Their music takes listeners on a journey through explosive anthems and introspective ballads, showcasing the band's versatility and depth. Heather's debut album, "Foundations," produced by a collective of exceptional talents, immerses listeners in a sonic landscape that resonates with rock enthusiasts and casual listeners alike.

## ACCOLADES

- Nominated for Music PEI & Discover Charlottetown's Best Rock Album of the Year for "Foundations"
- Airplay CJSW-FM, CJSR-FM, CITR-FM, CHSR-FM, CJLO and CIUT-FM radio stations, as well as features on CBC Mainstreet
- Featured on "360°: The Best Indie Music" Spotify playlist curated by SiriusXM's Eric Alper
- Featured at a number of Canadian showcases such as: [Canadian Song Conference](#), [Showcase PEI](#), and [Music PEI Week](#)
- Recipients of Music PEI's [Golden Ticket](#) program
- Festivals such as Valleyfield & Spudfest

## QUOTES

Their music offers a refreshing take on rock, with passionate, skillful vocals, complementary and inventive guitar work, a muscular rhythm section, and songs that reflect their individual tastes and influences while combining those into something new and tasty without sounding derivative. — Jon Matthews
